HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Elizabeth and Richard, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant". This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a

relationship compatibility report.

Elizabeth and Richard, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Elizabeth, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

Elizabeth, your Life Path is 17/8

Elizabeth, you are gifted with natural leadership and the capacity to accumulate great wealth. You have great talent for management in all areas of life, especially in business and financial matters. You understand the material world; you intuitively know what makes virtually any enterprise work. Your talent lies not with the bookkeeping or petty management, but with the greater vision, its purpose, and long range goals.

You are a visionary and a bit reckless. You possess the ability to inspire people to join you in your quest, but often they are incapable of seeing what you see. Therefore, those around you need your continual guidance, inspiration, and encouragement. You must prod them into action and direct them along the lines of your vision.

You attract financial success more than any other Life Path, but effort is required.

Elizabeth, your challenge in life is to achieve a high degree of detachment, to understand that power and influence must be used for the benefit of mankind. Those born with the Number 8 Life Path, who do not understand the real and relative value of money are bound to suffer the consequences of greed; they run the risk of losing it all!

You must learn to bounce back from failures and defeats. You have the character and

resilience of a true survivor. It is not uncommon for a person with your Life Path to experience major reverses, including bankruptcies, financial failure, but you also have the talent and the sheer guts to make more than one fortune, and build many successful enterprises. More than most people, your failures in marriage can be extremely expensive for you.

Despite the difficulties that life presents, you will experience the satisfaction that comes from material wealth and the power that comes with it.

Business, finance, real estate, law, science (particularly history, archeology, and physics), publishing, and the management of large institutions are among the vocational fields that suit you best. You are naturally attracted to positions of influence and leadership -- Politics, social work, and teaching are among the many other areas where your abilities can shine.

You are a good judge of character, which aids you well in attracting the right people to you.

Most 8s like large families and sometimes tend to keep others dependent longer than necessary. Although jovial in nature you are not demonstrative in showing your love and affection.

The desire for luxury and comfort is especially strong in you. Status is very important. You must be careful to avoid living above your means.

Elizabeth, your Life Path treads that dangerous ground where power lies -- and can corrupt. You may become too self important, arrogant, and domineering, thinking that your way is the only way. This leads inevitably to isolation and conflict. The people you run the risk of hurting most are those you love, your family and friends.

Be careful of becoming stubborn, intolerant, overbearing, and impatient. These characteristics may be born early in the life of an 8 Life Path, who often learn these negative traits after suffering under a tyrannical parent or a family burdened by repressive religious or intellectual dogmas.

Those with the 8 Life Path usually possess a strong physique, which is a symptom of their inherent strength and resiliency.

Richard, your Life Path is 20/2

The key word in your nature is peacemaker. Richard, you have the soul of an artist. You are extremely sensitive, perceptive, and a bit shy. These qualities are both your strengths and weaknesses, for while you possess enormous sensitivity to your feelings and those of others, that same sensitivity can cause you to hold back and repress your considerable talents. Sensitivity and perceptiveness are among your many fine qualities

Because you intuitively know what people want, or feel, you can be extremely diplomatic and tactful. You are also patient and cooperative. You work well with groups and somehow find a way of creating harmony among diverse opinions.

You enjoy music and poetry and require a harmonious environment.

You have an eye for beauty and a fine sense of balance and rhythm. You have healing

capabilities, especially in such fields as massage, acupuncture, physical therapy, and counseling.

However, your sensitivity can also be your downfall. Richard, your extremely delicate ego bruises easily and can make too much of someone else's thoughtless remarks or criticisms. Because you get hurt easily, you may tend to withhold your own thoughts and contributions to the matter at hand. This can cause you considerable resentment and anger.

Too often, you run from confrontation to avoid a battle.

When you employ your considerable inner strength, you will discover your enormous power and abilities to direct difficult situations toward your own goals. It is the awareness of your inner strength that will give you the courage to use your own personal power when it is needed. You are a sensitive and passionate lover; your perceptiveness makes you aware of your partner's needs and desires, which you are able to fulfill with almost magical delicacy.

However, when you feel you have been mistreated or jilted, you can react with devastating power, sometimes using personal criticisms vindictively. Your awareness, diplomatic skills, and organizational talents give you the ability to bring off difficult tasks. You willingly step out of the limelight to facilitate the success of your endeavor. In truth, you are often the power behind the throne. However, you do not always receive the credit you deserve for the fine work you've done, or your role is underestimated and your accomplishments overlooked. Rather than brood over your losses, you need to confront those who would make less of your contributions and stand up for your accomplishments. You need security and comfort, quiet settings, and the company of loved ones. You are a perfectionist when it comes to your home and work environment. Richard, you have excellent taste which is obvious in your private surroundings. You are a fine companion and possess a good sense of humor. Friends seek you out for your calming and peaceful company. You are a safe haven to other sensitive people, who recognize your compassion and understanding. When you have found your niche in life, you have all the talents and intelligence for great success. Seek out work that allows your sensitive nature to flourish -- be the glue that binds others together.

Your Life Path's compatibility is 8 and 2

Elizabeth and Richard, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

Richard is drawn to Elizabeth in part because Elizabeth has great inner strength and the kind of personal power that reveals the possibility of worldly success. Capable and goal-oriented, Elizabeth is a force to be reckoned with.

Elizabeth is attracted to Richard largely because Elizabeth recognizes in Richard an emotional and spiritual wealth that may well have remained, at least to some extent,

dormant in the life of Elizabeth. Richard lives and experiences life on many levels. Richard knows the heart and the power of emotions. When brought together, the two and the eight's individual innate qualities can produce quite a balanced relationship. This is a combination with potential to survive for years and years. However, an important detail you both must be attentive to, is that the relation between a two and an eight is often based on illusions, and when such illusions fall apart, the relationship may crash.

The two sees strength, and thinks it will always be there. The eight sees romance and the subtle powers of the heart, and thinks it will last forever. Neither does, of course.

Strength eventually dissipates. The heart slowly loses interest.

However, that does not mean this relationship doesn't stand a chance. It certainly does. And the key to make it a pleasant, long lasting relationship is to recognize each other for what you are, beyond the obvious. Richard must learn to love not only Elizabeth's strength and capabilities but also Elizabeth's weaknesses. It is important that Richard can love Elizabeth as a whole human being. And Elizabeth, in turn, must learn to love not only the romantic presence, the passion of the heart Elizabeth craves in Richard, but Richard as a whole human being.

Few combinations tend to give birth to relationships based on illusions as often as do the two and the eight. But Richard and Elizabeth, don't forget that this is just one aspect of the chart. You both have many other qualities to be brought to the surface, exercised and explored to your mutual benefit. Just keep that in mind, unite your respective strengths and move on to turn yours into a most pleasant, rewarding and long lasting relationship.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By

reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Elizabeth, your Expression is 11/2

Elizabeth, yours is the most highly charged Expression number of all. You are like a lightning rod, attracting powerful ideas, intuitions, and even psychic information like unpredictable bolts.

You are a powerful presence without any awareness on your part of having personal power. You are a channel for higher vibrations. But in order to be emotionally and psychologically at peace, you must learn to control that flow of energy. You possess a bridge between the unconscious and the conscious. The trouble is that the unconscious is an infinite resource, while consciousness by definition is a limited arena. The two are therefore at odds until they can learn to live in harmony with each other. This is where control comes in. Until you are able to control the flow of energy from this infinite source, you may feel like a victim of its whimsy, thrown about by emotional turmoil and nervous tensions.

Elizabeth, you have always sensed that you are different, but it was an indefinable feeling. You are enormously sensitive and aware, especially as a child. This made you vulnerable to all conflicts and painful situations. For most of your upbringing, however, you did not realize that other people did not possess the same sensitivity, nor did they see the same things you were seeing. This caused a great reservoir of emotion that was dammed up behind an inability to express your feelings, even to yourself. For this reason, most 11 Expressions have a difficult childhood. Your extreme sensitivity made you very shy as a child. This usually manifests in adulthood as hesitation and acute vulnerability. You are very careful about sharing your feelings with others and choosing your friends.

You compensated for your sense of separation in childhood by creating an elaborate fantasy world. You daydreamed more than other children. You have a lively imagination and even in adulthood have a hard time separating reality from fantasy.

Elizabeth, your challenge is to bring forth your primitive, earthy strength. You need to be grounded in order to deal with your lightning bolts. The more you are able to call upon your inherent human strength, the greater your capacity to take advantage of your extremely sensitive awareness. Once this is accomplished, your antagonist becomes your benefactor.

You are highly emotional and dependent upon relationships. Emotionally, you go up and down with the fortunes of your love life.

You are idealistic, impractical, and at times disorderly. You are often unrealistic in your expectations.

Your reasons for doing things are usually born of a mixture of logic, emotion, and intuition, which can rarely be explained satisfactorily to your more rational associates.

The 11 Expression is the number most dependent upon other core numbers in your

chart for insight into your vocation. The 11 charges every area it enters, but it needs a grounding vocation and discipline to be effective.

A balanced 11 is one of the most unique and impressive of all people. It is gifted with insight and illumination, which it can transmit to others. This makes you a natural teacher in whatever area you enter.

Richard, your Expression is 8

Richard, you have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth. Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition. You enjoy challenges and rivalry.

You are a realist and a visionary planner. Money and authority are available to you if you are willing to discipline yourself -- generally an inborn talent -- and persevere in the face of the considerable obstacles in your path.

You are dynamic and have a talent for efficiency. You understand the larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

Richard, you are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all!

At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are able to struggle consistently after your goal. Eventually power falls to you. Within you lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you.

It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a

danger-zone for you. Richard, you can be a social drinker, mixing business with pleasure -- a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution. Yours is a life time of harvest

Your Expression's compatibility is 2 and 8

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects "the path you walk on," and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Elizabeth and Richard, as you may have noticed, the numbers that define the compatibility of your Expression are identical to the numbers found under your Life Path's compatibility - with the important difference that in this part of the chart, Elizabeth has Richard's number and Richard has Elizabeth's number.

What this means, is that the qualities described in the section under Life Path apply here too, but the attributes recognized as belonging to Elizabeth now also fit Richard and vice versa. And in equal measures. This is somewhat uncommon and the result is difficult, if not impossible, to predict. To use an analogy, you might say that the Life Path reveals that Elizabeth brings blue into the relationship, and Richard adds yellow. The result is green. At the same time, the Expression shows that in this part of the chart Richard contributes the blue and Elizabeth adds yellow. Again, the end product is green. Now

you have twice the green, with each of you bringing in similar attributes in equal amounts. Read the compatibility section under the Life Path again, but this time replace Elizabeth with Richard and Richard with Elizabeth. In addition, all the qualities and traits, positive as well as negative, described in the compatibility section of the Life Path should be given considerably more weight.

When two people have a "reversed recurrence" of numbers, such as appears in your compatibility chart, Elizabeth and Richard, the effect tends to be either very good or very bad. There is no middle ground. All the qualities are intensified; the positive as well as the negative. Keys to maintaining a positive relationship therefore are your ability to compromise and to be tactful at all times. And most importantly, to avoid stressful confrontations through awareness and sensitivity.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Elizabeth and Richard, your Heart's Desire is 15/6

Elizabeth and Richard, you both have the same number in this part of the chart. The following text therefore applies to both of you.

Elizabeth, your attention is directed to helping and caring for those you love. You are exceedingly domestic. You love your home and family and work hard to make both comfortable and secure. Your love for family and friends is a major source of your happiness and sometimes unhappiness.

Your desire to help others is so strong that you often find yourself sacrificing your own personal needs for someone else's. You can overdo it, becoming too deeply involved in other people's lives. You risk interfering in personal matters and or smothering those you love in too much affection. This can be especially weakening to children, who never experience their own personal strength if an adult is too protective.

You are extremely loyal and rarely let anyone down. You need to feel appreciation for

your giving and caring. You want to know that you are needed.

Elizabeth, you are generous and very forgiving. You are somehow able to overlook the worst mistakes in another and find enough good in that person to continue the relationship.

You are patient, warm, and sympathetic, sometimes to the point of sentimentality.

You have a natural ability as a counselor and healer. You are an excellent listener, compassionate and understanding. You are able to both sympathize and empathize with a person's dilemma. Your challenge as a counselor is to be adequately educated so that you can do more than provide a sympathetic ear or shoulder.

You possess a great deal of artistic talent, though you may not have a lot of confidence in your ability. Art gives you a great deal of pleasure and satisfaction. You are especially sensitive to your environment and have a knack for creating an artistic, healing, and harmonious atmosphere in your home or work space.

Elizabeth, your deepest intention is to love those around you, and be loved in return. Six is the most loving of all numbers, especially in one-to-one relationships. Your instincts are toward your family and friends. You envision a beautiful and harmonious life with love as the basis for all social interaction. Your love is returned manifold; people appreciate you and the love you give, and are willing to go to great lengths to keep you close at hand.

Your Heart's Desire's compatibility is 6

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

Elizabeth and Richard, as a rule of thumb, relationships fare better when the core numbers found in the same location in a chart are not the same. An exception is to this rule of thumb is the six, considered the most harmonious of all, the most loving and committed of all numbers, and rightly so!

Elizabeth and Richard, you both commit strongly to a romantic relationship. There is nothing you want more than to make the other person happy, to take care of and comfort your partner. You are dedicated to the point of being willing to sacrifice much of your own needs and desires towards this commitment.

You love kids, family, friends, and your local community. Your need to distribute love and comfort is such that, most probably, you will both get involved in something related to healing, teaching, counseling, or the arts.

Elizabeth and Richard, you must keep in mind that other numbers also play an important role in your relationship. However, even if some of those numbers are considered incompatible and bring in any negative influences, such influences will be at least in part diluted by the strongly compatible relationship found in this aspect of your charts.

There are instances, though, when the energy of the six may become overbearing, causing the relationship to shift from committed to co-dependent. This may happen, Elizabeth and Richard, if you allow your extremely protective feelings towards each other to cloud your judgment. Therefore, it is important that you maintain your individuality and your ability to find happiness and contentment in your own life without depending on your partner or anyone else.

Jealousy is another possible danger you should guard against. The same protective feelings mentioned earlier, if out of control, can make one possessive, giving rise to jealousy and distrust; two human traits that have caused so much harm among people who, under normal circumstances, have no reason to experience such negative thoughts and feelings. Therefore, if you catch yourself doubting your partner's faith with no real cause, step back and look at the situation as objective as possible.

Elizabeth and Richard, the six found in this part of your chart is a powerful asset to the relationship. It is a number that brings harmony and love to all other numbers. Make good use of this blessing and you will live a beautiful romance while distributing love and care not only to your own family but to your friends and community as well.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Elizabeth, your Personality is 14/5

Elizabeth, you are a stimulating person. You brighten social gatherings with your fresh and original ideas. Your conversation tends to be sprinkled with novelty and wit.

You have a quick tongue and charisma. You are probably an excellent salesman. There is a lot of nervous energy within you looking for an outlet.

You love your freedom and you see this life as an ongoing adventure. You are upbeat

and optimistic. This is infectious for those you meet. As a result, you inspire others.

You have a strong and attractive body, with good muscle tone. Your movements are supple, graceful, and athletic.

Elizabeth, your bane is that you love to indulge your senses with food and drink and can easily gain weight. You have an appetite for anything that stimulates the senses -- sex, food, alcohol, and drugs. Discipline is a necessity for you. The negative side of a 5 Personality Number can give rise to an addictive personality.

You like to dress fashionably and can get away with more colorful clothes. However, you should be aware of the value of quality and the power of modesty.

You are a little irresponsible and quick in satisfying your sensual urges. You are attractive and that, coupled with your innate ability to promote yourself, makes it easy for you to satisfy your desire for new and exciting relationships.

You have a kind of swashbuckling personality. People see you as the adventurer that you are. They expect the unexpected from you, and when they don't you often surprise them.

You have a quick and eclectic mind. You attract information from all directions, but you can be a bit superficial, skimming over the surface of a wide diversity of subjects. This may cause you to be a bit of a dilettante. You can get away with it much of the time, but for your own success and happiness, you should try to ground knowledge and deepen your understanding.

Elizabeth, your versatility and adaptability make you capable of getting the most out of virtually every opportunity in life. You decide quickly on a course of action and your timing is usually good. You radiate with the potential for success, which attracts others who can further you along your path.

Richard, your Personality is 11/2

Richard, you appear friendly and unpretentious. You have a soft and warm exterior. Others perceive you as gentle, safe harbor. People are drawn to you because, among other reasons, you appear warm and unthreatening.

Your dress is neat and clean. Richard, your clothing should be comfortable, soft, and flowing. You should avoid plain and understated clothes. Make an effort to be a little more daring and exciting in your appearance. This will balance nicely with your perceptive and open personality.

The opposite sex is attracted to your gentle and attentive nature, yet senses the passion beneath your surface. You have sex appeal.

Exercise is important to your appearance and to promote the level of strength you radiate.

You are very patient and understanding, and a wonderful listener. You make others feel important and loved.

You are sensitive and become tense in a disharmonious atmosphere. You have experienced quite a bit of negative criticism as a child, which made you shy growing up.

Though you may be well past that shyness, a bit of the vulnerability has remained with you and is often sensed by others.

Richard, you are a peacemaker. Arguments leave you drained. People sense your desire for harmony. But you must avoid being the blank tablet for others' projections. People may underestimate your strength, but this is a mistake. You are strong. You bend, but don't break.

You have a fine sense of beauty and excellent taste. There is a grace in your movements, reflecting your keen sense of harmony and refinement.

Your Personality's compatibility is 5 and 2

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

Richard and Elizabeth, this aspect of the chart requires some special attention since, as a rule of thumb, the two and the five found in the same part of the chart make for short-lived relationships. They simply do not understand each other. In fact, they do not really like each other.

The fact that you have a relationship means that other numbers are making up for the usual discordance that prevails between these two numbers. However, it is important to emphasize that the two and the five are only disharmonious when they are found in the same location in the chart. This disharmony does not exist when they are not in the same location. For example, a 2 Life Path can be quite harmonious with a 5 Heart's Desire.

That being said, we should concentrate on where the discordance comes from and how it can be deflected and rendered harmless.

To do that, let's think of Richard as water and Elizabeth as fire. In a controlled environment, each of them has a purpose that can be used to benefit the other. But, when they occupy the same space, one is going to destroy the other. The fire makes the water evaporate, or the water will kill the fire.

The lesson here is simple. Don't get in each other's way.

Yours can be a strong, lifelong relationship, if you are both willing to accept the other person as is. So, don't ever try to change your partner in any way and make every effort to lead your respective lives in as independent environments as possible so that your individual purposes can be beneficial and advantageous to the other.

Richard understands and respects the world of emotions, feelings, and intuitions and is fully aware of the fact that those are, in a very real sense, the bottom line. This is where life pays its dividends. No matter what else is happening in your life, payment comes in "how you feel", your happiness, your contentment as a human being.

Elizabeth relates to the world of dynamic action, impulsive decisions, and risky adventures. Keeping in perspective that this is only one aspect of the chart, Elizabeth thrives on energies causing motion, causing changes, causing excitement. And

Elizabeth will not be slowed down by something as banal as being careful, or by the possibility that someone might not be comfortable with the kind of turmoil Elizabeth generates.

Richard and Elizabeth, do not forget that other numbers play in your relationship. Therefore, this particular aspect of the chart can be largely offset if you succeed in maintaining some distance, a fairly practical separation of lifestyle and environment. You must keep in mind that your combination of numbers requires that your relationship be one of sharing and caring -- as in a community setting, a community of two -- rather than a relationship where everything is merged and experienced together.

PERSONAL YEARS

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Elizabeth, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

Elizabeth, your Personal Year for 2003 is 7

Elizabeth, you will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health. It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing

awareness of yourself. To much concern and desire for material rewards, Elizabeth, will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

Richard, your Personal Year for 2003 is 8

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief, Richard. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large. There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself more clear and focused and able to pursue and reach your goals. Richard, your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused. There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

Your Personal Year's compatibility for 2003 is 7 and 8

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

Elizabeth, during this time you may feel left behind, perhaps forgotten and ignored. Of course, this is not really the case. It is just that Richard is focused on getting things done, reaching goals, and taking advantage of opportunities, while you, Elizabeth, are drawn to examining your own life, where you are going, and even why you are doing the things you do. Elizabeth and Richard, the fact that your needs and your ambitions are going in different directions does not make this a compatible combination of cycles.

Richard is out there, full of plans and visions, while Elizabeth is turning inward. You may find it difficult to communicate, to find common ground, and to get excited about each other's interests.

This is a time, Richard, when you should not try too hard to get Elizabeth involved with something that interests you. And vice versa. This is a time to keep things simple, and the secret to go through it successfully is to love each other, but don't try to share everything you are doing.

Elizabeth, your Personal Year for 2004 is 8

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief, Elizabeth. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large. There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself more clear and focused and able to pursue and reach your goals. Elizabeth, your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused. There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

Richard, your Personal Year for 2004 is 9

This is your year to finish up all unfinished business, Richard, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts. On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with your self. This is a time of completion, problems can be solved and over with, strained relationships

relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative, enjoy music and other arts. Richard, your creativity is higher than usual. There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicycle and will you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next epicycle.

Your Personal Year's compatibility for 2004 is 8 and 9

Elizabeth and Richard, as is often the case within your relationship, your cycles are influencing you in very different - and not altogether compatible - ways. For Elizabeth, this is a time to get out there and shake some trees, make things happen and reap the rewards. So, the advice for Elizabeth during this cycle is: focus on your career, be aggressive in the pursuit of your success.

For Richard, this is a time when everything feels shaky and insecure. Richard needs Elizabeth right now. Richard needs the human contact, the commitment and the security Elizabeth has to offer more than during most cycles. With Elizabeth's focus on the world outside the relationship, and Richard needing Elizabeth's attention more than usual, it takes conscious effort from both of you to prevent disappointments and perhaps even resentment from overshadowing your relationship during this time.

Elizabeth, pay attention to Richard. You too, will experience a time when nothing will seem secure and solid. In fact, your next cycle will bring some of that and you will need Richard's hand then.

Due to the fact that your cycles always tend to be almost one hundred and eighty degrees opposite, Elizabeth and Richard, you have probably learned to adjust to each other's needs. This ability to surrender some of your own needs to those of your partner is the most important key to making your relationship a long and happy union.

PERSONAL MONTHS

Elizabeth, your Personal Month for February 2003 is 9

Elizabeth, February is a 9 Personal Month in a 7 Personal Year. It brings a number of changes, most of them occurring inside of you. You awaken to new feelings about your job, your house, and the people around you. It is a time of reevaluating the choices and decisions you have made over the past several years. You gain clarity and understand your motivations and needs better.

You may cause some practical changes as a result of this, and even distance yourself

from outdated habits or relationships. There may be some emotional turmoil connected to this, but the feeling of relief is more prominent. This is a tricky time in all areas of relationships.

Elizabeth, your irritation threshold is lower than usual. Irrational demands and lack of patience from your side may bring on feelings of guilt and you will probably find yourself apologizing more than once. You have strong idealistic, humanitarian, and spiritual feelings and may want to become more involved in some practical endeavors concerning one or more of these areas of life. However, you will probably postpone any active involvement for the time being, because you feel the time is not right.

Most important this month, is your enhanced clarity in all matters concerning your life and the direction it is taking.

It is a time of re-assessment of your values and priorities and the influence of this month will be felt for a long time to come.

The practical aspects of career, business, relationships, and romance are all on the back-burner, but the inner-changes that take place represent a much larger step forward than you will probably realize at this time.

Richard, your Personal Month for February 2003 is 1

Richard, February is a 1 Personal Month in an 8 Personal Year. Now things begin to speed up. Unlike last month, you now feel full of energy and enthusiasm. In fact, you're impatient to start new projects, and must guard against impulsive decisions.

Your career and financial affairs are the areas of your life that require the most attention. There are great opportunities as well as potential dangers. This is the year marked by opposites: times when everything seems to go your way, and other times when it seems the rug has been pulled out from under you. February gives the first indication of what this year will bring but, more important, it challenges you to put your best foot forward, to show what you are made of.

The month may begin with a challenge. You may have to confront one of your biggest fears, which is followed by an opportunity to put that fear to rest once and for all. Courage, determination, and inner strength are the needed ingredients that will make this a successful month and a profitable year. The year can be characterized by the old carrot-and-stick metaphor: February reveals the carrot -- the prize you can obtain -- but it also shows the pitfalls and dangers; in short, the stick.

Relationships are favorable in all areas of your life. Co-workers show support, friends tell you how much they admire you, relatives make it clear they have confidence in you, and your lover makes you feel you deserve the best.

Your Personal Month's compatibility for February 2003 is 9 and 1

Relationship compatibility of Personal Month cycles can have a powerful effect. But keep in mind: the cycle is short. So, if you run into turmoil, it helps to remember that it is in the

nature of a cycle to be only temporary.

Note: The compatibility between cycles is repetitive, as is the nature of cycles. While the influence of Personal Month cycles represented by the same number, can vary greatly depending on the yearly cycle, the compatibility aspect changes very little. You will therefore find that the compatibility description is the same when, for example, a 3 and 4 Personal Month combination is found in a 5 year, as when it is found in a 6 year.

Therefore, you will find that the possible influence of your Personal Month cycles never repeats itself within any one-hundred-and-eight-month period. However, the compatibility aspect repeats much more often - generally every nine months - but sometimes even less than that, depending on your Personal Year cycle.

Once every nine years, Richard and Elizabeth, your relationship will go through a particularly difficult time, a time when only your commitment to your heart will be able to save your relationship. This is such a time. You will experience turmoil, major disagreements, and arguments intense enough that they will make you feel that your partner is no longer the nice person you once knew. This is due to a shift in the cycles that causes an otherwise comfortable and compatible gap of one - in place for eight years - to suddenly multiply and, almost overnight, increase eight-fold for this one cycle. In addition, this is an emotionally vulnerable time for Elizabeth, exactly when Richard is less sensitive than usual.

There are few, if any, combinations of cycles as difficult and challenging as this one, but with some conscious effort and a dedication to your heart, the relationship will survive and, because of it, become stronger.

For Richard, the most important piece of advice is to give Elizabeth plenty of attention, be very sensitive to mood swings, and provide support, even if you feel that Elizabeth is overly emotional. For Elizabeth, the best advice is not to take emotions too seriously. As you have read in the description of your nine-year cycle, you are going through a lot of changes, which require of surrender and acceptance, giving rise to a tendency to get melodramatic and emotional.

Only your hearts can save the day. So, don't listen to your minds. No matter how much sense the mind seems to make, it doesn't have anywhere near the understanding that the heart carries.

Elizabeth, your Personal Month for March 2003 is 1

Elizabeth, March is a 1 Personal Month in a 7 Personal Year and, while you may still have a case of the blues on the early days of this month, March soon brings optimism, increased energy, and excitement. You are intellectually sharp and imaginative. You feel that anything is possible and that the sky is the limit.

Against the background of self-reflection and soul-searching that's such a major part

of this year is this month's sense of spring-time in your heart. This is an excellent time to take on new challenges in your career, to start new endeavors, or, if you are in business or sales, to go out and snare that important new client.

Often, this month brings financial gain, but your attention is more directed towards intellectual accomplishments. Your pride and self-esteem get a boost.

A more difficult aspect of this month is your relationship with loved ones. You lack the necessary sensitivity to respond properly to the needs of those close to you. Elizabeth, you are under the illusion that everyone feels the way you do; that problems are only minor impediments that can be taken in stride. However, your optimistic attitude also inspires them, and they grudgingly respect you for the way you seem to be handling things.

A romantic experience brings passion and excitement either late this month or early next month.

Richard, your Personal Month for March 2003 is 2

Richard, March is a 2 Personal Month in an 8 Personal Year. The month demonstrates how you can sometimes make more progress and be more successful by staying in the background than by forcing the issue. March gives you ample opportunity to influence others, to make them listen to your ideas, even to inspire them to do things your way. You are tactful and sensitive, yet also driven and motivated. You find better ways to handle challenging situations.

Later this month, you gain respect and recognition and will find yourself taking on a leadership role. Your authority is impressive because you balance force and strength with diplomacy and tact.

Romance is favorable and, if you are single, you may meet someone through work or a business meeting who will touch your heart.

Your Personal Month's compatibility for March 2003 is 1 and 2

Elizabeth, you are entering a period of renewal that brings in new energy as well as a change of direction in your personal life and in your career. You feel motivated and aggressive, perhaps even impatient - nothing moves fast enough for you. Richard, on the other hand, is slowing down somewhat, more concerned about looking for ways to improve relationships with other people. For Richard, this is a time of networking, finding resources, and aligning with others, a time during which emotions and feelings are more important than usual, and Richard may well be a bit more vulnerable in that respect. These cycles are compatible in most ways and they support each other. Elizabeth will be the engine of change and progress, while Richard will steer and redirect. However, Elizabeth will have to be sensitive and careful and not expect Richard to be as motivated and driven. In turn, Richard needs to avoid making mountains out of molehills or letting emotions get the better of common sense. Elizabeth may also have to accept the fact

that Richard is a bit more demanding than usual.

Elizabeth, your Personal Month for April 2003 is 2

Elizabeth, April is a 2 Personal Month in a 7 Personal year. Now the pendulum swings back from the insensitivity of last month to heightened awareness, especially of others. You are aware of the emotional subtleties that lie beneath the surfaces. You take nothing for granted. Your wisdom and diplomacy will surprise people and prevent several situations from becoming explosive.

Relationships with both subordinates and higher-ups will improve. You receive support and are well-spoken of. Your intuition is keen; rely on it, and respect any premonitions you may have. Someone you meet sparks your interest, but you may find that the person is unstable and fragile. You play the role of teacher and counselor in this relationship.

Elizabeth, your understanding and intuition also offer you the means to heal formerly difficult relationships this month.

Richard, your Personal Month for April 2003 is 3

Richard, April is a 3 Personal Month in an 8 Personal Year. The events inspire creativity and optimism, as well as a need for flexibility and adaptability. Sometimes, the early part of an 8 Personal Year brings financial challenges and problems. If this is the case, April is the most challenging time of the year.

It is a testing time that forces you to confront your lifestyle and your priorities. With the right adjustments, you can put yourself on sounder financial ground.

The month also encourages a certain detachment from trying to control financial matters too much. Once you stop controlling matters too much, your spiritual understanding of life really pays off in a practical and applicable way.

Last year's opportunities to contemplate and search for insight -- which may have seemed unproductive at times -- now prove to be your best defense on the battle ground of material progress. You are being forced to achieve a balance between the spiritual and the material, especially this month.

In any case, April will reveal to you how capable you are of doing that. Be generous but don't waste money. Focus on getting things done, but don't let financial reward be your only motivation. Introduce creativity and a playful attitude to the job at hand. And most important; don't let temporary setbacks ruin your ambition. This is a time to reach out, not to suppress.

Romance and relationships continue to be favorable. Social events bring new people. Richard, your self-expression and sense of humor improve, and it is easy to make new friends during this time.

Your Personal Month's compatibility for April 2003 is 2 and 3

Elizabeth is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving Elizabeth more vulnerable than usual. At the same time, Richard is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. Richard feels quite confident and won't dwell on emotions as much as during other times. Elizabeth, however, feels them strongly. Often, this translates to mood swings and moments of emotional insecurity and confusion on Elizabeth's part, contrary to Richard who is less sensitive and intuitive.

The result can be confusion and misunderstandings. Richard doesn't understand why Elizabeth is getting so upset about some minor argument, while Elizabeth wonders why Richard seems so unattached and distracted, almost as if Elizabeth's feelings don't matter. This is a time, Richard, to pay close attention to Elizabeth and the relationship you have together. For Elizabeth, it is important not to dwell on emotions. Feelings of neglect are unwarranted, and if Richard seems a bit caught up in other things, that's because Richard feels secure and comfortable enough in the relationship to focus on creative endeavors, social events and people outside the relationship.

Elizabeth, your Personal Month for May 2003 is 3

Elizabeth, May is a 3 Personal Month in a 7 Personal Year and is an excellent time for leisure and play. Take time off and, if possible, go on vacation. Get in touch with the inner you, daydream, and share those feelings and thoughts with someone you trust. Your need for others heightens.

You sense changes on the horizon, but feel you are in limbo, waiting for events to provide a new direction. Seek the advice, perspective, and insight of others.

You continue to make a good impression on those you work with, but not because of enhanced sensitivity and awareness, as was the case in April, but because of your ability to express yourself well and motivate others to see things your way. Be careful not to become manipulative.

This is a "lucky" month. You're in the right place at the right time and coincidences will occur in your favor. You are more attractive to the opposite sex than usual and may receive some interesting proposals.

Richard, your Personal Month for May 2003 is 4

Richard, May is a 4 Personal Month in an 8 Personal Year. It is a time of hard work, progress, and opportunity. As with most of this year, the focus in May is on career and finances. There may well be a great opportunity that comes your way. This opportunity offers all kinds of changes, such as a move of residence (either in June, or in or around November), a change of employer, or a promotion.

The early part of May can be frustrating due to the need to involve yourself with routine affairs and details. You have some catching up to do. You may feel restless and bored. However, later this month brings the opportunity you have been waiting for. You are more organized and manage your time well.

You are dependable and anxious to take care of some long-postponed chores. You may decide to start a remodeling project on your house. Your relationships are more harmonious.

If you are involved in a long-term love relationship, you will find that comfort and security replace some old doubts.

Your Personal Month's compatibility for May 2003 is 3 and 4

Elizabeth and Richard, this is a time when your cycles are pushing you in opposite directions. Actually, this is often the case in your relationship and does not per se reflect a lack of compatibility. For Elizabeth, this is a time to relax and smell the roses, while Richard needs to keep focused and maintain a high level of effort. It is important that you don't try to change each other's natural inclination to follow the demands of your respective cycles. Richard needs to accept the fact that Elizabeth is not as disciplined and ambitious as usual, while Elizabeth should not try to talk Richard into taking it easy. Contrary to what one might expect, as a rule of thumb, cycles with a gap of one point, such as three and four or four and five, although moving in different directions, are not per se incompatible. In fact, they often complement each other. Only when couples try too hard to influence each other's lives do these cycles cause stress and unhappiness. Elizabeth should be allowed to back off a little from the daily grind, while Richard should be supported and encouraged throughout this rather demanding period.

Elizabeth, your Personal Month for June 2003 is 4

Elizabeth, June is a 4 Personal Month in a 7 Personal Year. It may prove to be the busiest month of the year. Work is demanding. Responsibilities and duties could become frustrating. You've got to stick to the routine and, consequently, you may become bored with your environment.

Your energy level is high and you want things to change. Reorganize your personal life. Manage your time more efficiently. Work on the house or garden so that you can enjoy improvements in your environment as well as your work life.

You are more serious this month than you were last month. Don't take chances in financial affairs. It is better to save than to spend. Open your heart to your loved ones. They may sense your preoccupation with work and details, and need you to reach out to them.

Richard, your Personal Month for June 2003 is 5

Richard, June is a 5 Personal Month in an 8 Personal Years. It brings changes and unexpected events. There isn't much use in planning too much this month, because much will happen unexpectedly. This is a hectic and dynamic month. Go with the flow; be flexible; and trust your instinct.

If you are able to adapt to the unpredictable events of this month, your experience will be exciting and adventurous, and quite possibly profitable. However, if you insist stubbornly to stick to your plans and expectations, you will be disappointed.

You are in a position to show your special talents and abilities to people who can be influential in your career.

You are able to think on your feet and your reflexes are sharp. This time is particularly good for those who are in retail, real estate, or some other business that's based on sales and closing deals. Financial gains are often considerable.

Travel is possible and favorable. This is also a good time to move, or change your environment in some way.

Romance is very exciting and, if you are single, you will have to hide out to keep from meeting someone. People gravitate to you and the opposite sex is more than usually attracted to you.

Your Personal Month's compatibility for June 2003 is 4 and 5

Elizabeth and Richard, this is a time during which you are under very different influences. It is a time of focus, effort, and sometimes frustration and stagnation for Elizabeth, and a time of change, excitement, and dynamic energy for Richard.

As a result, Richard is in a position to help Elizabeth to keep moving forward and not get too frustrated by the demands of this cycle, and Elizabeth will be able to function somewhat like an anchor for Richard. Richard can certainly use the stable influence of Elizabeth during this hectic and unpredictable time.

The most positive effect of this combination of cycles is that their combined forces almost always deliver progress and decisiveness. By the end of this cycle, you will realize that you will have established new goals, and a clearer horizon will make it much easier for you to see where you want to go next.

A negative effect you should be aware of is that you may find yourselves moving in such different directions that, at times, you will feel like strangers. Share your feelings and ideas as much as possible and reach out to each other. Physical closeness and sharing things you both enjoy will help you keep connected on all other levels.

Elizabeth, your Personal Month for July 2003 is 5

Elizabeth, July is a 5 Personal Month in a 7 Personal Year. It is a time of unexpected events. Be flexible, especially in thought.

Let old concepts and dogma go. This is a time of incredible growth, mentally as well

as spiritually, but you have to allow such growth to occur.

New information comes to you. You have the opportunity to change old ideas about life or people. Your circumstances could even change. Travel is also possible and favorable. A sudden phone call could put you on the plane the next day. Letters or phone calls could come from people you have not heard from in a long time.

Meanwhile, you feel scattered and restless and want to avoid the nitty gritty details of life. Go with the flow; answer demands as they come up and do not try to control the circumstances too much.

Elizabeth, you are mentally sharp and quick to see the meaning of new information. You are also creative and imaginative. This month releases your wilder side, especially when it comes to your social life and love relationship. Within the context of this year's serious and spiritual overtones, July is by far the most dynamic month. Be careful of too much self-indulgence and irresponsibility. Moderation, again, is the key.

Richard, your Personal Month for July 2003 is 6

Richard, July is a 6 Personal Month in an 8 Personal Year. It is an excellent time for business and financial affairs. Respect and recognition for past efforts is followed by financial gain or promotion. You are in a position to ask and receive what you believe to be your due. However, you may find that you are not as diplomatic as you might be. This is your most challenging weakness during this month. Guard against arrogance. Your responsibilities increase possibly as a result of a promotion.

Family affairs, friendships, and romance also move to the foreground and are rewarding and healing. You will be asked to sacrifice some of your time and energy to a younger person or someone who is old or sick. You feel closer to the people around you and you want to be there for them.

Somewhat contradicting to this show of warmth and affection is the lack of tact and sensitivity you may display a number of times during this month. Richard, you may be too intent on forcing people to see life as you do, rather than allowing them their own perspectives and their own rates of growth.

The later part of this month brings changes that arise from a chance meeting at a social event. This change may be based on a romantic encounter, and may affect your living situation.

An unexpected travel is also a possibility.

Your Personal Month's compatibility for July 2003 is 5 and 6

Elizabeth is in a cycle of change and highly charged energy. Richard is in a cycle of stability and responsibility. Elizabeth's energy is restless and dynamic, Richard's energy is focused and grounded. Elizabeth is looking around for opportunity and adventure. Richard is looking at the home and the family. Richard's attention is focused near by, on the people and things that matter most. Elizabeth's attention is focused away; on work,

career, travel and so forth.

These cycles are as opposite as two cycles can be, yet they are not incompatible. Within a relationship, these influences complement and balance each other. However, if they get too inner-twined, they will turn on each other and anger and blame are the most likely result. It is important, now more than at almost any other time, Elizabeth and Richard, that you don't try to influence each other too much. Live and let live is the slogan for this month. You probably have realized by now that, more often than not, you are experiencing very different cycles. This is an important aspect of your relationship not limited to this particular cycle. It will always be that way. You should accept the fact that you tend to be influenced by very different energies most of your lives. Therefore, you may just want to make the concept of live and let live a family slogan -- for life. But, as you probably have also realized by now, although the influence of your personal cycles always tend to place you at opposite ends of the spectrum, it also means that you complement each other very well and make a great team when you put your minds to it. In particular when it comes to showing a single front to the outside world.

Elizabeth, your Personal Month for August 2003 is 6

Elizabeth, August is a 6 Personal Month in a 7 Personal Year and with it comes stability and quiet. There is recognition and respect at work, but also the possibility that someone else takes credit for your effort. Apply yourself diligently. Responsibility and duty rule this month. There is financial gain, probably from a source other than work.

Your family and friends need your love and attention; give of it freely. Especially give your time and advice to a younger person. There is a lot of love that surrounds you this month, but you may not be aware of it. Your attention is focused inward and you may want more time alone than you actually have. Maintain balance. The people close to you need attention and you should be there for them.

Your spouse or romantic partner requires much of you this month, too, and your relationship with deepen as a result.

Richard, your Personal Month for August 2003 is 7

Richard, August is a 7 Personal Month in an 8 Personal Year. The emphasis changes from outgoing to inward seeking. You are more serious now and self-reflective. You question the wisdom of some of your decisions and choices made during the past ten to twelve months. You keep to yourself, and are generally less social.

You are engrossed in your work and feel a need to do a better job. Your desire for perfectionism is strongly enhanced, which results in self-criticism and impatience with others. At the root of this change in attitude is a spiritual need for clarity and understanding. You want more security, both internally, as well as in your more worldly roles. Richard, you would do well spending some time alone for contemplation and meditation. In this respect, August stands out during this otherwise "material" year.

Family and friends take a backseat during this period. There are strong feelings connected to your relationships with your loved ones, but these are experienced and expressed more subtly.

Romance becomes more serious. You share mental, spiritual, and emotional experiences on the deepest level. There is no room for superficial exchanges. Your relationship with the person you are attracted to intensifies and becomes stronger as a result.

Your Personal Month's compatibility for August 2003 is 6 and 7

Elizabeth and Richard, you are experiencing very different cycles. On one hand, the influences of the six and the seven complement each other very well. On the other, they create such different needs you may find that there is little common ground between the two of you. You may find that you disagree on just about everything; how to spend your vacation, what kind of car to buy, which of your friends to invite, and so forth. Elizabeth is reaching out to people, Richard is avoiding them. Elizabeth is more extrovert than usual, Richard is seeking peace and quiet. A positive influence during this time is found in the fact Elizabeth more tolerant and giving, willing to sacrifice here and there to accommodate Richard. This is an important and much needed factor to make this a harmonious time. Richard is not very patient right now and doesn't want to be bothered. Elizabeth, it is important to remember that if Richard seems a bit cool and distant, this has nothing to do with the relationship. Richard is doing some soul searching and needs to be given some space and distance. Richard, it is crucial not to forget Elizabeth and not to get lost within yourself to the extent of ignoring the world around you. Pay attention to those you care about, Richard. Your relationship with your friends, your family and with Elizabeth will last a lot longer than this period of self-examination and spiritual exploration.

Elizabeth, your Personal Month for September 2003 is 7

Elizabeth, September is a 7 Personal Month in a 7 Personal Year. Now, more than ever, spiritual growth and self-discovery are highlighted. If you have not been fully aware of this inner search during part of this year, there is no escaping it this month. Dreams will be intense and you won't be able to shake them when you wake up. You will find yourself staring into space more often than usual. You are withdrawing and may experience some loneliness as a result.

You are questioning a lot of things that you had been taking for granted. You think about your life and the direction it is taking. The mysteries of life and death (without being morbid) occupy your mind.

You are mentally sharp and flexible, and you easily keep up with any demands that

come your way. Elizabeth, your career, finances, and other mundane aspects of your life occupy a relatively smaller place in your life, this month. Without avoiding your duties, you can let these areas take care of themselves until early next month.

Your friends and family are less demanding.

Romantic ties can be surprisingly strong, however. You have a real desire to share your innermost feelings with the person you are attracted to, revealing a side of yourself that has not been available in such intimacy before.

Richard, your Personal Month for September 2003 is 8

Richard, September is an 8 Personal Month in an 8 Personal Year for you. This is a month with great potential for your career and finances, especially to increase your finances for the long-term.

It is a time to be aggressive and outspoken. Your authority is needed and you will have to apply yourself one hundred percent. However, there is another side to this month. You may feel that you have reached the pinnacle of your career, or that work and other areas of your life have become dull and monotonous. You may feel you need a break.

You are approaching a time of deep inner change. Several times during your life you have reached a point at which you need to break out of a cocoon. All evolution is gradual, but periodically interrupted by sudden bursts of growth, or change.

Richard, you are at a stage in your life when you feel ready for such a change. However, you are not clear about the true nature of this change and, while you may feel inspired to force some practical changes now, you should approach this with care. Avoid impulsive decisions as well as any contractual arrangement that would tie you down for a long time.

You need to rely on your own strength and feel confident that you have a certain amount of control over your own future. You should relax and let things develop at their own pace.

Social events are highly favorable and there will be ample opportunity for that.

Your Personal Month's compatibility for September 2003 is 7 and 8

Elizabeth and Richard, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

Elizabeth, your Personal Month for October 2003 is 8

Elizabeth, October is an 8 Personal Month in a 7 Personal Year. It brings reward and recognition. Often, this is a very good month for all matters related to career, business, and finances. You reap the rewards of what you sowed in the past seven years. (Next year offers even greater rewards than this month.) October gives you the opportunity to peak into the near future because it represents a small scale sample of what next year will bring. The eight cycle is a rewarding time, but there are two important sides to the way it is delivered.

On one hand, it is directly proportionate to the effort you have put out in the past. On the other, you receive exactly what you need to continue on your path. For that reason, you would do well keeping a close eye on your finances, especially to protect yourself from any shortfalls next year. Financial gain is much more common this month (and in the 8 Personal Year). In any case, this is a time to be aggressive in all matters relating to career and finances.

Richard, your Personal Month for October 2003 is 9

Richard, October is a 9 Personal Month in an 8 Personal Year. It marks the beginning of the end of a certain era in your life.

Now you begin to let go of certain expectations you have long held. There is a feeling of emptiness and of "what now?" The time has not yet come to respond to these feelings in a practical way. Now is the time to begin to become comfortable with the need to change. The changes contemplated involve both personal and professional life.

For these reasons, October could become an emotional time. Some melodrama and role playing is actually a subconscious way for you to test the people around you, and the depth of their commitment. You are also testing your own position towards people, career, environment, spiritual beliefs, and other aspects of your life. You have, even if you are not aware of it, already begun the process of selecting what you want to remain in your life and what you want to discard.

This process, which continues through different stages over the next 2 years, is natural and nothing to be afraid of. You are entering a period of reawakening. This means a letting go of some of the comfort and security that surrounded and protected you for many years.

Start giving some of your energy to a good cause that benefits others. Ultimately, it will benefit you. It takes the spotlight of your doubts and questions, and gives you strength and confidence.

For October, practical matters can be handled with ease. It is much better to pay off debts than to incur new ones. Completion is favored over new starts. It is a time to tie up loose ends, not so much to begin new projects. It is a time to clean up and prepare for new things coming into your life.

Richard, you are not in the right mood to pay much attention to romance or personal relationships of any kind, unless it's to test the strength of the relationship.

You may be a little judgmental and self-righteous and will need to guard yourself against this sort of thing.

Your Personal Month's compatibility for October 2003 is 8 and 9

Elizabeth and Richard, as is often the case within your relationship, your cycles are influencing you in very different - and not altogether compatible - ways. For Elizabeth, this is a time to get out there and shake some trees, make things happen and reap the rewards. So, the advice for Elizabeth during this cycle is: focus on your career, be aggressive in the pursuit of your success.

For Richard, this is a time when everything feels shaky and insecure. Richard needs Elizabeth right now. Richard needs the human contact, the commitment and the security Elizabeth has to offer more than during most cycles. With Elizabeth's focus on the world outside the relationship, and Richard needing Elizabeth's attention more than usual, it takes conscious effort from both of you to prevent disappointments and perhaps even resentment from overshadowing your relationship during this time.

Elizabeth, pay attention to Richard. You too, will experience a time when nothing will seem secure and solid. In fact, your next cycle will bring some of that and you will need Richard's hand then.

Due to the fact that your cycles always tend to be almost one hundred and eighty degrees opposite, Elizabeth and Richard, you have probably learned to adjust to each other's needs. This ability to surrender some of your own needs to those of your partner is the most important key to making your relationship a long and happy union.

Elizabeth, your Personal Month for November 2003 is 9

Elizabeth, November is a 9 Personal Month in a 7 Personal Year. Your heightened inner awareness and the long inner growth-process you've been working on this year now reach a kind of completion this month in the form of realizations and insights that in turn improve your self-confidence and faith in the future.

At the same time, this is a period marked by emotional ups and downs as you are releasing old concepts, responsibilities, and relationships that you've outgrown.

You are doing some inner-house cleaning which reflects in work as well as personal life.

Your career may seem somewhat stagnant. You are looking for new opportunities and challenges, but not much will be forthcoming until late this month or early next month. Elizabeth, you should take it slow; perhaps even take some time off for rest.

There will be an opportunity for you to become involved with a good cause, which will prove both personally and professionally rewarding. In the long run, it may even help you financially.

As for money matters, this is not a good time to take chances or spend money on

major purchases.

Some of your relationships with friends and relatives are being put to the test. You have grown and changed over the past year and may be a little out of touch with some of the people with whom you were close. In addition, you have become more discriminating about whom you wish to spend time with.

Sometimes, the 9 Personal Month brings a personal loss. You may have to let go of an old relationship or even someone you regard as a teacher. Romance is also in a make or break period. If the relationship has real substance, there will be some emotional turmoil but the bond will only become stronger.

If the relationship isn't strong, this will become very clear and cause a permanent break.

Richard, your Personal Month for November 2003 is 1

Richard, November is a 1 Personal Month in an 8 Personal Year. It brings confidence, independence, and individuality. Now, you are driven to take up new challenges, tackle new projects, and get a firm grip on your life. You have energy to spare and you use this to inspire and motivate others.

You feel that there is nothing you can't deal with. You are ambitious and result-oriented. You receive an opportunity that will have long-ranging effects on your life. You are confident, but also a bit stubborn and hardheaded. You are direct and not as sensitive to other people's feelings as usual.

This is a good time for business and finances. It is a time to be decisive and adventurous, not a time to be conservative. Courage and originality are key ingredients needed to take full advantage of this cycle. You are more stable and outgoing in your personal life, much to the delight of friends and relatives.

You are also generous and inspiring, but not in the mood to deal with the petty stuff. You are a little impatient.

Romance may prove to be the most challenging aspect of this period. The chances of meeting someone are good, but your approach may be too aggressive and lacking in sensitivity.

If you are married, or otherwise committed, a small warning: not everyone is on the high curve of his/her cycle, so be patient.

Your Personal Month's compatibility for November 2003 is 9 and 1

Once every nine years, Richard and Elizabeth, your relationship will go through a particularly difficult time, a time when only your commitment to your heart will be able to save your relationship. This is such a time. You will experience turmoil, major disagreements, and arguments intense enough that they will make you feel that your partner is no longer the nice person you once knew. This is due to a shift in the cycles that causes an otherwise comfortable and compatible gap of one - in place for eight

years - to suddenly multiply and, almost overnight, increase eight-fold for this one cycle. In addition, this is an emotionally vulnerable time for Elizabeth, exactly when Richard is less sensitive than usual.

There are few, if any, combinations of cycles as difficult and challenging as this one, but with some conscious effort and a dedication to your heart, the relationship will survive and, because of it, become stronger.

For Richard, the most important piece of advice is to give Elizabeth plenty of attention, be very sensitive to mood swings, and provide support, even if you feel that Elizabeth is overly emotional. For Elizabeth, the best advice is not to take emotions too seriously. As you have read in the description of your nine-year cycle, you are going through a lot of changes, which require of surrender and acceptance, giving rise to a tendency to get melodramatic and emotional.

Only your hearts can save the day. So, don't listen to your minds. No matter how much sense the mind seems to make, it doesn't have anywhere near the understanding that the heart carries.

Elizabeth, your Personal Month for December 2003 is 1

Elizabeth, December is a 1 Personal Month in a 7 Personal Year. It brings renewed energy and enthusiasm. Your career makes a big step forward. There is financial reward, promotion, and possibly a transfer that brings a welcome change. You will be introduced to someone or several people who are important for your career and can positively influence your future.

While this month brings you and your relatives and friends closer together, the feelings are also intensified and your relationship with some of these people is in a very fragile state. There may be some outbursts of long suppressed feelings that have to be dealt with.

Relationships of all kinds -- family, friends, and co-workers -- tend to be somewhat unstable during this time.

If you are single, romance may become an important ingredient of this month's experience. Elizabeth, you may meet someone new and this person will be an intellectual and spiritual challenge.

The attraction will be based less on physical appearance than on curiosity: there are profound differences between you in point of view and lifestyle, which is fascinating on some level. You learn from this person and, like looking into a mirror, you discover a lot about yourself and the changes that have taken place on a very deep level during the course of this year.

Richard, your Personal Month for December 2003 is 2

Richard, December is a 2 Personal Month in an 8 Personal Year and shifts the focus to relationships and all affairs of the heart.

Co-workers are demanding, not only in work-related matters, but also in personal areas. You may catch some flack, or become involved in conflicts that don't appear to have anything to do with you. All your tact and diplomacy are needed to maintain harmony in the work place. However, you are better equipped to deal with sensitive affairs than usual and you manage to diffuse most of these potentially explosive affairs.

Pretty much the same experiences await you regarding relationships with relatives and friends, but here too, you are able to keep the peace.

Richard, your intuition and sensitivity are your strongest assets during this month.

There is, however, also a need to stand up for yourself. Someone is about to claim credit which rightly belongs to you. Again, diplomacy and tact are required to solve this problem.

This is also a good month for negotiation and financial affairs, particularly concerning loans and mortgages.

Romance can be powerful, but may cause problems when money is involved.

Your Personal Month's compatibility for December 2003 is 1 and 2

Elizabeth, you are entering a period of renewal that brings in new energy as well as a change of direction in your personal life and in your career. You feel motivated and aggressive, perhaps even impatient - nothing moves fast enough for you. Richard, on the other hand, is slowing down somewhat, more concerned about looking for ways to improve relationships with other people. For Richard, this is a time of networking, finding resources, and aligning with others, a time during which emotions and feelings are more important than usual, and Richard may well be a bit more vulnerable in that respect. These cycles are compatible in most ways and they support each other. Elizabeth will be the engine of change and progress, while Richard will steer and redirect. However, Elizabeth will have to be sensitive and careful and not expect Richard to be as motivated and driven. In turn, Richard needs to avoid making mountains out of molehills or letting emotions get the better of common sense. Elizabeth may also have to accept the fact that Richard is a bit more demanding than usual.

Elizabeth, your Personal Month for January 2004 is 9

Elizabeth, January is a 9 Personal Month in an 8 Personal Year. It marks a period of completion. You have gone through a spiritual growth cycle that resulted in a better understanding of yourself. You have gained much insight.

Now you are entering a time when spiritual understanding must merge with the practical and material side of life. You are moving from a 7 Personal Year, which was dominated by spiritual growth, into an 8 Personal Year, which is focused on the material aspects of your life. This may throw you a little off balance. The year begins with some confusion and self-doubt.

Often, there is financial stress. You need to apply yourself to your career and other worldly matters. This is the year of harvesting your rewards, but before that happens, you need to prepare yourself, to regain your footing.

Now you must become more aggressive and ambitious. January requires effort. It also requires a letting go of outdated and outgrown concepts, habits, and relationships.

For that reason, January tends to be emotional and somewhat insecure. However, you will soon pick up momentum, and your personal power increases.

Romantic and love-relationships experience some stresses. Elizabeth, you are somewhat distant and aloof, which may make your partner feel left out. Spend some time reassuring your mate.

Richard, your Personal Month for January 2004 is 1

Richard, January is a 1 Personal Month in a 9 Personal Year. It brings progress as well as some turmoil. Your career offers opportunities that should be taken advantage of, but you may also be wondering if you want to continue on the path you have chosen. A change of course may be taking shape. You may want to focus more on the ideas you had at the beginning of your professional life. Even if you do not have a career, a return to the idealistic views you had at an earlier time cannot be avoided now.

A similar desire for purity and idealism influences your relationships with friends and relatives. You find yourself confronting some of the people close to you. You may decide that some of your relationships are no longer desirable.

You experience emotional ups and downs, caused by a need for confirmation of your love on one hand, and a tendency to be critical and judgmental on the other. You are aggressive and emotional at times. This combination may shake the foundations of many of your relationships. Undoubtedly, some of these foundations may crack, but others will prove to be strong and remain undamaged.

Financially, this is a time to be extremely careful.

Your Personal Month's compatibility for January 2004 is 9 and 1

Elizabeth, your Personal Month for February 2004 is 1

Elizabeth, February is a 1 Personal Month in an 8 Personal Year. Now things begin to speed up. Unlike last month, you now feel full of energy and enthusiasm. In fact, you're impatient to start new projects, and must guard against impulsive decisions.

Your career and financial affairs are the areas of your life that require the most attention. There are great opportunities as well as potential dangers. This is the year marked by opposites: times when everything seems to go your way, and other times when it seems the rug has been pulled out from under you. February gives the first indication of what this year will bring but, more important, it challenges you to put your best foot forward, to show what you are made of.

The month may begin with a challenge. You may have to confront one of your biggest fears, which is followed by an opportunity to put that fear to rest once and for all. Courage, determination, and inner strength are the needed ingredients that will make this a successful month and a profitable year. The year can be characterized by the old carrot-and-stick metaphor: February reveals the carrot -- the prize you can obtain -- but it also shows the pitfalls and dangers; in short, the stick.

Relationships are favorable in all areas of your life. Co-workers show support, friends tell you how much they admire you, relatives make it clear they have confidence in you, and your lover makes you feel you deserve the best.

Richard, your Personal Month for February 2004 is 2

Richard, February is a 2 Personal Month in a 9 Personal Year. It awakens you to many of the underlying factors that influence your career and personal life. You are highly intuitive; you experience strange and vivid dreams; and you gain insights that border on psychic premonitions. At the same time, you continue to be vulnerable in the emotional area. Any kind of criticism can devastate you. You should avoid confrontations. You are in a position where you can gain considerable understanding of the motivations and desires that influence you, as well as others.

This is an important and valuable time, because you are learning much about the true

nature of human beings, including yourself. The challenge here is to see yourself and others in a spiritual light, with love and forgiveness.

Some people who go through this particular cycle experience bitterness and anger. For others, this cycle brings faith and gratitude. For everyone, the impressions are lasting.

Romance is powerful; you see and hear and feel more fully than usual, which brings an added intensity to the experience of love.

Your Personal Month's compatibility for February 2004 is 1 and 2

Elizabeth, you are entering a period of renewal that brings in new energy as well as a change of direction in your personal life and in your career. You feel motivated and aggressive, perhaps even impatient - nothing moves fast enough for you. Richard, on the other hand, is slowing down somewhat, more concerned about looking for ways to improve relationships with other people. For Richard, this is a time of networking, finding resources, and aligning with others, a time during which emotions and feelings are more important than usual, and Richard may well be a bit more vulnerable in that respect. However, Elizabeth will have to be sensitive and careful and not expect Richard to be as motivated and driven. In turn, Richard needs to avoid making mountains out of molehills or letting emotions get the better of common sense. Elizabeth may also have to accept the fact that Richard is a bit more demanding than usual.

Elizabeth, your Personal Month for March 2004 is 2

Elizabeth, March is a 2 Personal Month in an 8 Personal Year. The month demonstrates how you can sometimes make more progress and be more successful by staying in the background than by forcing the issue. March gives you ample opportunity to influence others, to make them listen to your ideas, even to inspire them to do things your way. You are tactful and sensitive, yet also driven and motivated. You find better ways to handle challenging situations.

Later this month, you gain respect and recognition and will find yourself taking on a leadership role. Your authority is impressive because you balance force and strength with diplomacy and tact.

Romance is favorable and, if you are single, you may meet someone through work or a business meeting who will touch your heart.

Richard, your Personal Month for March 2004 is 3

Richard, March is a 3 Personal Month in a 9 Personal Year. It lightens things considerably. You are not nearly as vulnerable as last month. You are more playful. You

express yourself easily and you manage to inspire and motivate others.

You receive some positive information about your career and your financial status. Meanwhile, you are considering some big changes in these areas of your life. You may want to keep your thoughts to yourself, or share them only with one or two of your most trusted confidants. You are not ready to make decisions or take steps that are irreversible, but that time will come soon.

This is an exciting time, when everything seems more intense, more alive. You are more creative and communicative.

Richard, you should take the time to enjoy yourself. Go on a vacation. Visit friends. Be social. Give yourself a break.

Romance is favorable, but you have to guard against irresponsible and superficial behavior.

Your Personal Month's compatibility for March 2004 is 2 and 3

Elizabeth is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving Elizabeth more vulnerable than usual. At the same time, Richard is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. Richard feels quite confident and won't dwell on emotions as much as during other times. Elizabeth, however, feels them strongly. Often, this translates to mood swings and moments of emotional insecurity and confusion on Elizabeth's part, contrary to Richard who is less sensitive and intuitive.

The result can be confusion and misunderstandings. Richard doesn't understand why Elizabeth is getting so upset about some minor argument, while Elizabeth wonders why Richard seems so unattached and distracted, almost as if Elizabeth's feelings don't matter. This is a time, Richard, to pay close attention to Elizabeth and the relationship you have together. For Elizabeth, it is important not to dwell on emotions. Feelings of neglect are unwarranted, and if Richard seems a bit caught up in other things, that's because Richard feels secure and comfortable enough in the relationship to focus on creative endeavors, social events and people outside the relationship.
