INTRODUCTION

About your Personal Reading

This reading was composed for you personally, Paul, and is based on your full name at birth, your date of birth, and the name you now use to introduce yourself. Please check your birth data on the title page to make sure the names and date of birth used are correct.

If you have two or more middle names or last names, you may find the names strung together. This is necessary to make Transit and Essence cycles function correctly. For example, the name John Patrick Henry Hancock would appear on the title page as John PatrickHenry Hancock.

Paul, your Personal Numerology Reading describes all aspects of your chart as they are understood in numerology, accurately and in-depth.

Each chapter starts with a short introduction telling you where this particular number is found and how it affects you. This is followed by the number itself. Often, you will find a double digit number followed by a single digit.

The meaning of your number is then explained in easy to read language. Paul, you don't need to know anything about numerology to be able to enjoy and benefit from this reading.

I hope you will enjoy your reading.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Paul, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality

Chart!

Your Life Path is 22/4

Paul, you were born under the most powerful and potentially the most successful of all Life Path numbers. It offers you the extremes of life's possibilities: on one hand, you have the potential to be the Master Builder, the person capable of perceiving something great in the archetypal world and manifesting it in the relative world; on the other hand, you can slip into the depths of obscurity, achieving little more than personal support.

Your power is delicate. It exists by virtue of your ideals and vision, which you must use to inspire others to join you in your dream. Only by marshaling collective forces are you able to bring together the necessary elements -- people, ideas, resources -- that will enable you to realize your goals.

Consequently, your Life Path is one requiring dramatic evolution. By being able to integrate seemingly conflicting characteristics within yourself -- your inspiring vision and your natural tendency toward practicality, for example -- you develop the talent to deal effectively with a great variety of people. This allows you to understand and unite many differing people toward a single goal, melding them into a concerted whole. Your task in life is to unite the dream with the bottom line.

In short, you are the visionary with your feet on the ground.

You are good at business and politics. You naturally understand large institutions, and have the ability to think and act on an international scale.

You are gifted with uncommonly sound common sense. You are able to see the beauty and potential in a given idea, but also the practical methods that will bring it to fruition. Somehow, you understand the limitations of ideas -- what will work and what will not. This is an intuitive gift that can evaluate possibilities on the basis of their practicality.

While in many aspects the 22 is the most promising number, it is also the most difficult to live up to. Paul, you have a great ambition, which can be a most difficult master, driving you to accomplish all that you are capable of.

You are a steady partner in any relationship. You offer sound advice and consistent emotional support. You do not suffer from flights of fancy, and naturally resist the emotional heights. You are unconventional in thought and action, but tend to be traditional in appearance. You avoid airs and pretension.

Paul, your challenge is to share your vision and allow others to make their personal contributions. That requires flexibility on your part, perhaps your weakest characteristic. You often lack faith in the ability of others. Therefore, you tend to control people and situations, sometimes tempted to manipulate.

In the end, you must learn to surrender to the larger cause that you serve. The final result may be quite different from your original vision, but with faith and commitment you will make an enduring impact on the world.

BIRTHDAY

The day you were born bears great significance in understanding who you are and where your talents lie. The day of birth indicates some special talent you possess. It is a gift to you that will help you along your Life's Path. Your day of birth is one of your four core numbers -- the Life Path, Expression, and Heart's Desire being the other three. It is the least significant of the four core numbers, but perhaps the most finite, in that it reveals a specific ability you possess in a marked degree.

Your Birthday is 18

You are a born leader, an efficient manager, capable of organizing and inspiring others. Paul, you are especially talented in the areas of politics, religion, art, and law. You are highly creative and have an excellent understanding of people.

You are broadminded and should be educated in several different fields, particularly the arts. Many great artists are found under this number.

You tend to be a late bloomer and must be willing to take your time before choosing a profession. You need experience and exposure to many different types of people before you find the one area in which you will specialize.

You can relate to people in all walks of life. Paul, you will do quite a bit of traveling and go through many changes.

At bottom, you have a great dream for humanity. You want to improve the conditions of people, whether they are in your community, state, country, or the world at large.

This is where your deepest satisfaction lies -- with performing some task that will benefit others.

You are able to express your feelings well, though a bit dramatically at times. You have a calm and even aristocratic appearance. However, beneath it there is a sense of frustration with not having received your due in life -- either from parents, co-workers, or your community.

Your challenge is to learn acceptance and forgiveness. There is an element of sacrifice in your life. You need to let go of all negative attachments. Any thoughts of revenge will backfire badly against you. You need to employ your spiritual and philosophical outlook in all matters in which the balance seems to have been struck against you.

You attract money from all work that is service oriented. The more you do for others, the more you receive - - spiritually and materially -- in return.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Your Expression is 11/2

Paul, yours is the most highly charged Expression number of all. You are like a lightning rod, attracting powerful ideas, intuitions, and even psychic information like unpredictable bolts.

You are a powerful presence without any awareness on your part of having personal power. You are a channel for higher vibrations. But in order to be emotionally and psychologically at peace, you must learn to control that flow of energy. You possess a bridge between the unconscious and the conscious. The trouble is that the unconscious is an infinite resource, while consciousness by definition is a limited arena. The two are therefore at odds until they can learn to live in harmony with each other. This is where control comes in. Until you are able to control the flow of energy from this infinite source, you may feel like a victim of its whimsy, thrown about by emotional turmoil and nervous tensions.

Paul, you have always sensed that you are different, but it was an indefinable feeling. You are enormously sensitive and aware, especially as a child. This made you vulnerable to all conflicts and painful situations. For most of your upbringing, however, you did not realize that other people did not possess the same sensitivity, nor did they see the same things you were seeing. This caused a great reservoir of emotion that was dammed up behind an inability to express your feelings, even to yourself. For this reason, most 11 Expressions have a difficult childhood. Your extreme sensitivity made you very shy as a child. This usually manifests in adulthood as hesitation and acute vulnerability. You are very

careful about sharing your feelings with others and choosing your friends.

You compensated for your sense of separation in childhood by creating an elaborate fantasy world. You daydreamed more than other children. You have a lively imagination and even in adulthood have a hard time separating reality from fantasy.

Paul, your challenge is to bring forth your primitive, earthy strength. You need to be grounded in order to deal with your lightning bolts. The more you are able to call upon your inherent human strength, the greater your capacity to take advantage of your extremely sensitive awareness. Once this is accomplished, your antagonist becomes your benefactor.

You are highly emotional and dependent upon relationships. Emotionally, you go up and down with the fortunes of your love life.

You are idealistic, impractical, and at times disorderly. You are often unrealistic in your expectations.

Your reasons for doing things are usually born of a mixture of logic, emotion, and intuition, which can rarely be explained satisfactorily to your more rational associates.

The 11 Expression is the number most dependent upon other core numbers in your chart for insight into your vocation. The 11 charges every area it enters, but it needs a grounding vocation and discipline to be effective.

A balanced 11 is one of the most unique and impressive of all people. It is gifted with insight and illumination, which it can transmit to others. This makes you a natural teacher in whatever area you enter.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Your Heart's Desire is 16/7

Paul, you love knowledge, study, and insight. You value the gifts of your mind, which you use to great advantage to penetrate the mysteries of life. You study things in-depth. You search beneath the surface of things. You abhor shallow judgments or opinions.

You have a natural gift for analysis and research. Once you have grasped the facts of a subject, your creativity and abstract approach lifts your thinking beyond the rudimentary to the philosophical. You have a theoretical mind, but rather than indulge in fantasies or idle thought, you prefer to base your theories upon scientific facts.

Paul, you enjoy mental and physical puzzles -- figuring them out, taking them apart, and putting them back together.

Some people may perceive you as cool or aloof. You are somewhat introverted; you may feel slightly removed and even a little different. The fantasy of the hermit or monk engaged in a life of study and meditation appeals to you.

In relationships, you tend to keep things business-like and impersonal. You prefer to talk about the facts of a given situation, rather than the cloudier issues of emotions and personal feelings. You distrust feelings -- both your own and those of others. The whole emotional realm strikes you as unreliable, and a bit unnecessary.

Paul, your inability to fully understand the emotional aspect of life is your Achilles heel. You are so rational that the unpredictability of the heart frightens and surprises you.

Your challenge is to trust. You need to share your heart with someone. This is a courageous step for you, but will result in enormous growth and satisfaction.

The advice here is to make a true connection with another human being. Without it, you may marry out of convenience or to fulfill social expectations, but it will not lead you out of loneliness. The more removed you are from people, the more you risk isolation, bitterness, and a cynical attitude toward life.

This choice represents a true crossroads in your development. By sharing yourself with others (without compromising your independence and need for privacy) you can cultivate your enormous charm and share your understanding of life. You are a natural teacher and advisor. And the wealth of knowledge you will accumulate in life is meant to be shared with others.

This is not to say that you must compromise on your need for privacy or time spent alone to contemplate life. These are natural aspects of your personality, which are essential to your growth. These characteristics should not be threatening to your spouse, but must be understood as fundamental to your being.

Paul, you are blessed with a great reserve of intuition, which can be cultivated by regular meditation and contemplation. Your "inner voice" is your greatest guide and friend.

You are idealistic and have high expectations for yourself. Learn to balance your serious nature with regular doses of fun.

Your intelligence and cultivation make you charming and distinguished in appearance. As you get older and more comfortable with your identity, people are naturally attracted to you. They see your wisdom, your deep understanding of life, and the refinement you radiate.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Your Personality is 13/4

Paul, you radiate reliability and consistency. People trust you and feel secure with your judgment. You are seen as a cornerstone of a business and are relied upon to do your work efficiently and expertly.

You have strength and respectability. You tend to dress in a utilitarian manner, concerned mostly with convention, practicality, durability, and price. You present yourself as someone who values correctness, control, and precision.

All of this stems from the fact that your most prized characteristic is your work. You want to be judged on the basis of your performance, rather than your appearance.

You are frugal and have learned to respect a dollar. You are concerned about the security of your future and those you love. However, this may appear to others as a bit too austere.

You tend to wear earth colors and conventional attire. You could benefit by putting a little flair in your dress. Wear more uplifting colors. Loosen your dress

with less severe lines. If you wear a brown suit, include a bright tie or some jewelry.

You are a family person. You love the intimacy, consistency, and the security a family provides. You are a good provider and protector. But family members may take your efforts for granted.

Paul, you are a true patriot. You love your country and are an integral part of your community. Your consistency and adherence to your well-laid plans usually pays off in a comfortable and secure future.

MATURITY

Your Maturity number indicates an underlying wish or desire that gradually surfaces around age thirty to thirty-five. This underlying goal begins to emerge as you gain a better understanding of yourself. With self-knowledge comes a greater awareness of who you are, what your true goals in life are, and what direction you want to set for your life. This, in a nutshell, is the gift of maturity: You no longer waste time and energy on things that are not within your own special identity.

No matter what your age is at present, your life is being channeled in a specific direction, toward a very specific goal. That goal can be seen as a reward or the fulfillment of a promise that is implicit in your current efforts, often without your knowing it consciously. While the characteristics of this number are usually visible during childhood, we tend to lose sight of these aspects until later in life. But our lives are always being affected by this influence, nonetheless.

Your Maturity number begins to have a more profound impact on your life after the age of 35. The influence of the number increases steadily as you grow older.

Your Maturity is 6

As you mature, you will become increasingly concerned with the well-being of family, friends, and community. Paul, you will be drawn to the role as healer, counselor, and teacher. You have a growing ability to give comfort and sound advice to those in need.

You naturally assume the role of patriarch or matriarch of those in your care, no matter how old they are. You become more responsible and protective. You may well become involved in environmental protection, volunteer work or politics.

You are naturally idealistic and strive to realize those ideals as you grow in maturity and in personal resources.

Your careful and balanced approach to business and financial matters provides you with sound and secure success later in life. The 6 maturity number provides an outstanding financial foundation for the future.

In addition, the influence of the 6 promises an old age surrounded by loved

ones.

For those who have few 6s in the chart, or none at all, this Maturity Number promises the close relationships that you have strived for most of your life.

KARMIC LESSONS

Numerology is based on the understanding that we enter life with certain strengths and weaknesses. Karmic lessons are areas that we are currently weak in and must be faced and worked on in this life. There can be more than one Karmic Lesson. These are indicated by the absence of certain numbers in your name.

The letters and numbers of your name point to talents and abilities that you possess. These characteristics can be compared to a workshop in which certain tools are available to you. Missing numbers, those that are not represented in the letters in your name, imply tools that are unavailable, and must be learned and mastered during this lifetime.

You may well recognize your Karmic Lessons as weaknesses you have learned to overcome in the course of your life, however, the challenges implied in your Karmic Lessons will continue to come up occasionally for the rest of your life.

You have a Karmic Lesson 6

Paul, you have a major issue with commitment and responsibility to others.

You have a hard time committing to marriage and other important personal relationships. You have to learn to show true emotion.

You may feel isolated and alone, but do not understand why. The reason is that very often you form relationships yet remain heavily guarded, putting up a show of emotion without truly communicating affection or care. This can make the bond between you and others superficial. You must learn to establish sincere relationships.

Paul, you will learn the importance of close friends and lasting relationships. You will learn to give and, when necessary, sacrifice. This is the one true way to true friendship and lasting love.

The effects of this Karmic Lesson are diminished if you have at least one 6 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

You have a Karmic Lesson 8

Paul, you can attract a considerable amount of money and even be a good

business person, but you experience major ups and downs in your financial affairs, due largely to your lack of caution in handling your resources.

You are highly independent and do not want to be told how to do things. You have great problems with authority figures. This stems from a kind of know-it-all attitude and stubborn behavior that prevents you from knowing your limits.

You will have to work at knowing how to handle money. In all likelihood, you will attract enough of it, but it has a tendency to slip through your fingers. This Karmic Lesson forces you to learn your limitations, and the limitations of your resources.

Learn to be efficient.

The effects of this Karmic Lesson are diminished if you have at least one 8 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

HIDDEN PASSION

Your Hidden Passion reveals one or more special strengths and talents that you rely upon and are available to you. The Hidden Passion represents your specific field of expertise, or a concentrated talent.

Metaphorically, this talent can be seen as having a power all its own to shape your life. Its existence gives you a strong desire to develop and to express that particular ability. Having the talent demands that you express it, that you experience this part of you, and that you live according to its nature. In this way, the Hidden Passion shapes your personality, and guides your life.

Your Hidden Passion is 1

Paul, you have a strong drive to stand out. You have a great ambition and desire to accomplish. You are highly competitive and want to be the best and the first in everything you do. You are highly energetic and creative. You are capable of influencing and even dominating others. You have highly developed political skills, and can succumb to manipulation unless your ideals are high.

Ironically, there are times when you lack confidence, especially at an earlier age, but you have the strength to overcome this obstacle.

Paul, you are a survivor, a warrior, a leader. Many great athletes and politicians have this number as a Hidden Passion.

BALANCE

People experience different internal responses to life's challenges. Some withdraw from difficult situations to think them through; others withdraw from their

emotions, to try and keep themselves from feeling anything. Some explode with emotions, but allow the explosion to pass quickly. Others linger with their feelings, holding on to them well past the time they should have let them go.

Very often, these are conditioned or emotional responses that emerge without thought or analysis. Maturity and self-development help us to learn new and more effective methods of handling our world and the problems we confront. Your Balance number provides you with the guidance on how best to deal with difficult or threatening situations.

Your Balance is 3

Paul, be more lighthearted and optimistic in your approach to problems. Try to work with others toward a mutually satisfying solution. Use your considerable charm to influence the situation.

You can be extremely emotional when faced with a problem. Try to control this tendency; you need a degree of objectivity. You may become too personally attached to the solution you seek, thus failing to see that the outcome can be beneficial to all concerned.
